

THE GEORGIAN

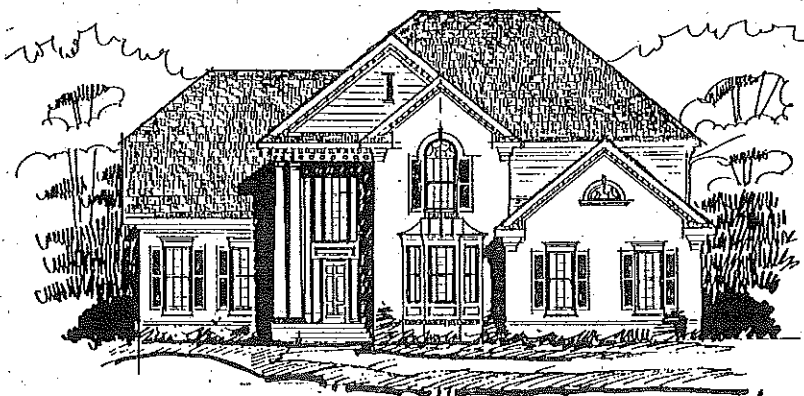

Elevation A

The traditional beauty of this plan integrates brick, cedar shake and lap siding. Exterior highlights include a columned portico and interesting window variations accentuated by a bay window and circle tops.

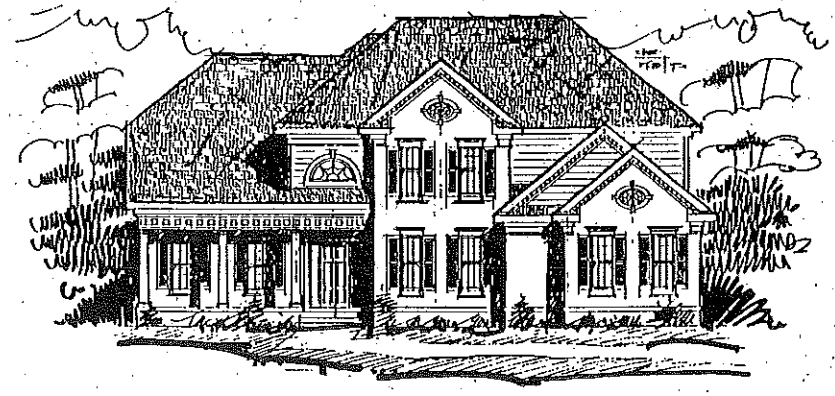

Elevation B

Gables give this elegant traditional home an interesting roofline. The home combines brick and lap siding and features unique window style with shuttered small-paned traditionals and a leaded glass entry surround.

Elevation C

A grand two-story portico with double columns distinguishes the entrance of this classic home. Extensive use of brick, dentil molding and a metal-roofed bay continue the traditional theme.

Elevation D

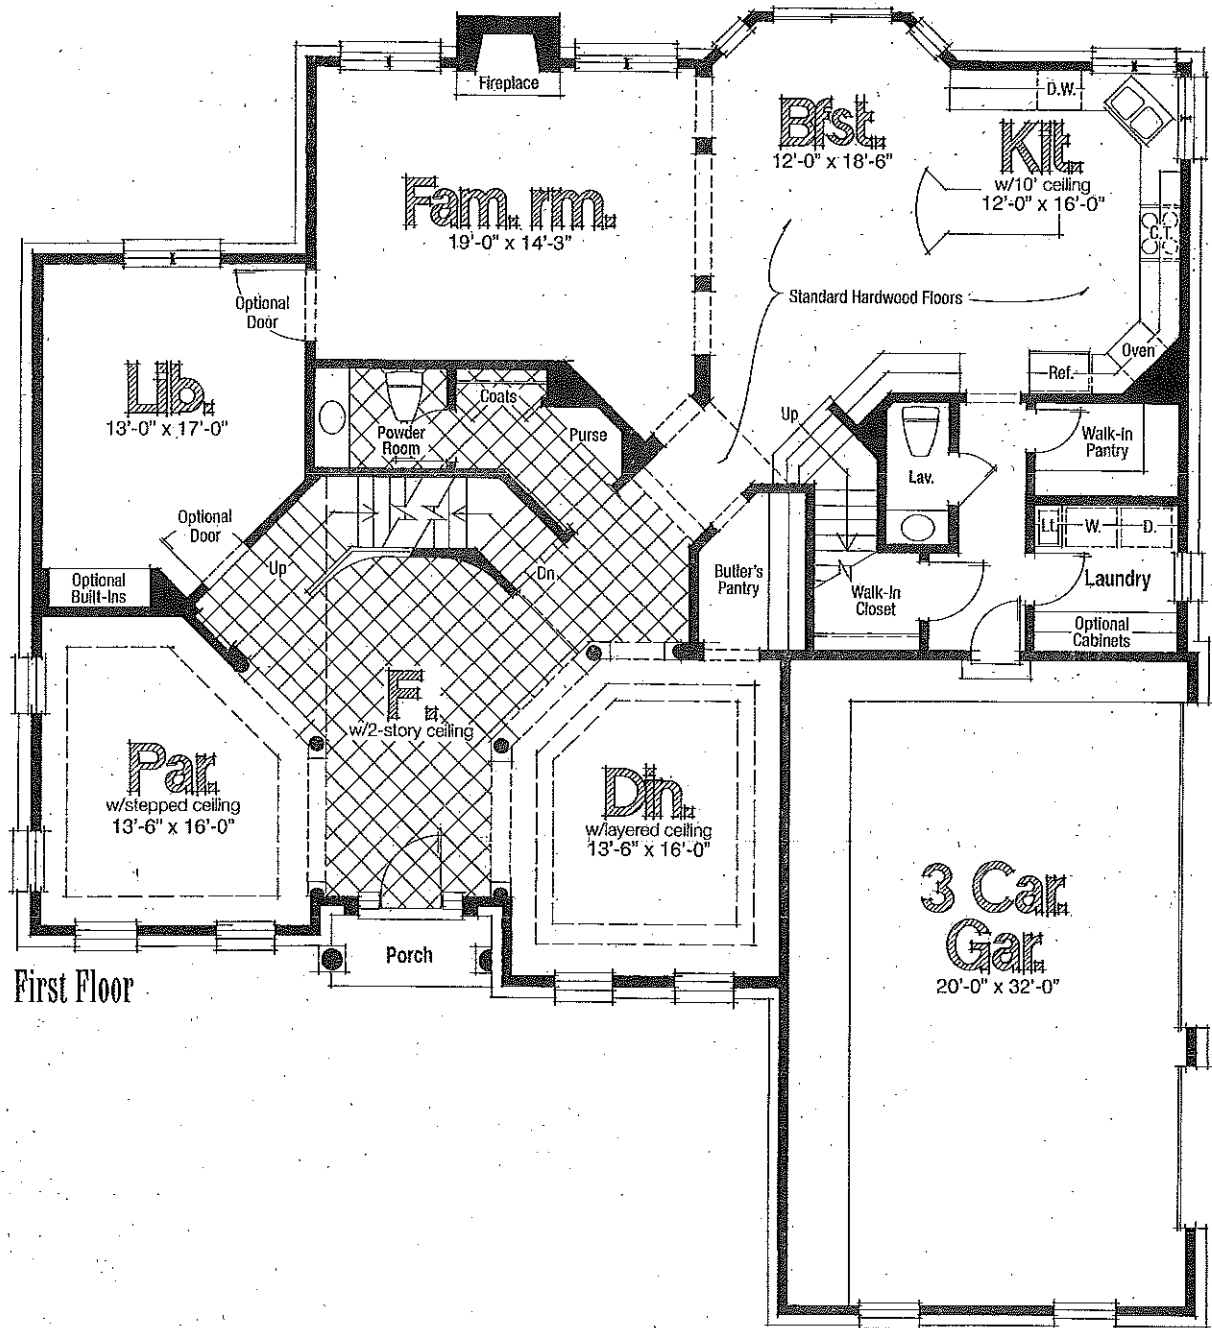

A large covered porch with graceful columns sets the tone for this classic home's beautiful exterior which combines both brick and lap siding. Shuttered traditional windows plus tri-divided glass accent windows provide an enchanting appeal.

THE GEORGIAN

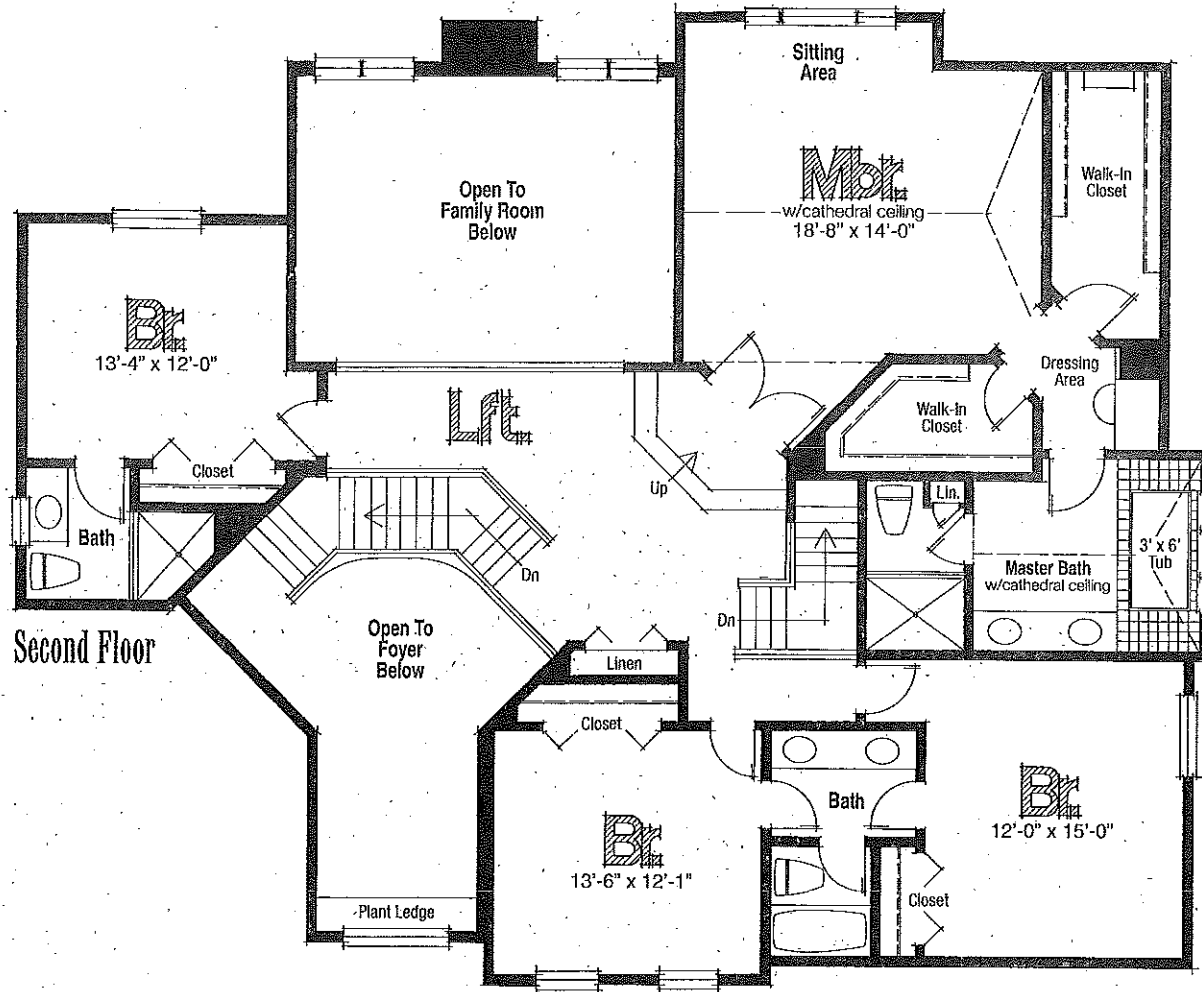

Bedrooms: 4
Baths: 3 Full, 2 Half
Square Footage: 4,005

The impeccable design of our largest home is exhibited in an opulent foyer which greets you with a magnificent welcoming arms staircase. Perfect symmetry is enhanced by classical columns and flanking formal living and dining rooms with elegant stepped ceilings. The focal point of informal family gathering areas is the enormous chef's kitchen which wraps around a preparation island, enlarged at one end for informal family dining. Column detailing is repeated between the breakfast nook and family room. This home also offers built-in computer cabinetry in the library, a powder room with a mirrored vestibule, large butler's pantry and the convenience of a back staircase to the second floor.

Luxurious style continues upstairs where the second floor landing overlooks the elegant foyer and the family room. A step-up master suite

dramatic and very private retreat.
