

THE INGLENOOK

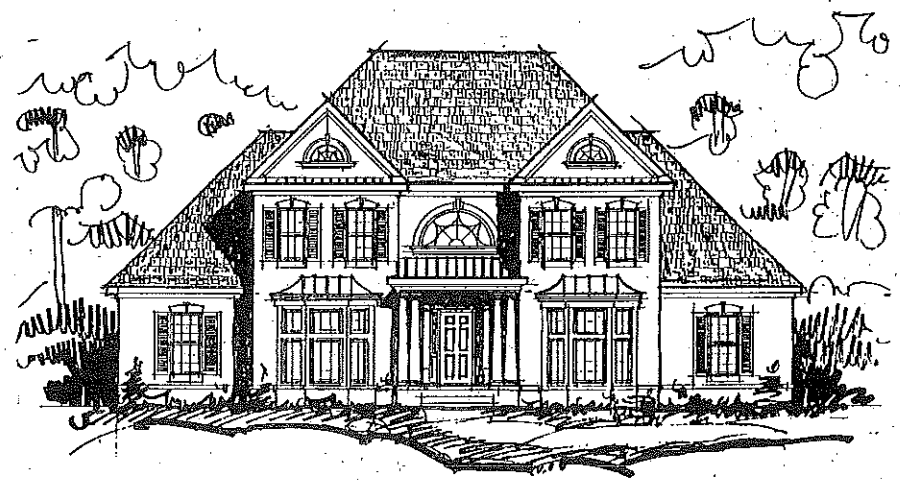

Elevation A

A large front porch with finely detailed columns welcomes you to this gracious Colonial. Lap siding, shuttered windows and a half-round window on a high gable complete the traditional theme.

Elevation B

This home, offering the ordered symmetry of Georgian styling, takes on an interesting appeal with a combination of brick and lap siding, corner quoins and dormers. A recessed entrance with dramatic two-story windows is flanked by fan-topped windows.

Elevation C

Timeless in every detail, this home displays a stately manner through the use of brick, symmetrical design and Neoclassical details. Bay windows with metal roofs flank an impressive center portico with double columns, a pediment and a half-circle of true-divided glass.

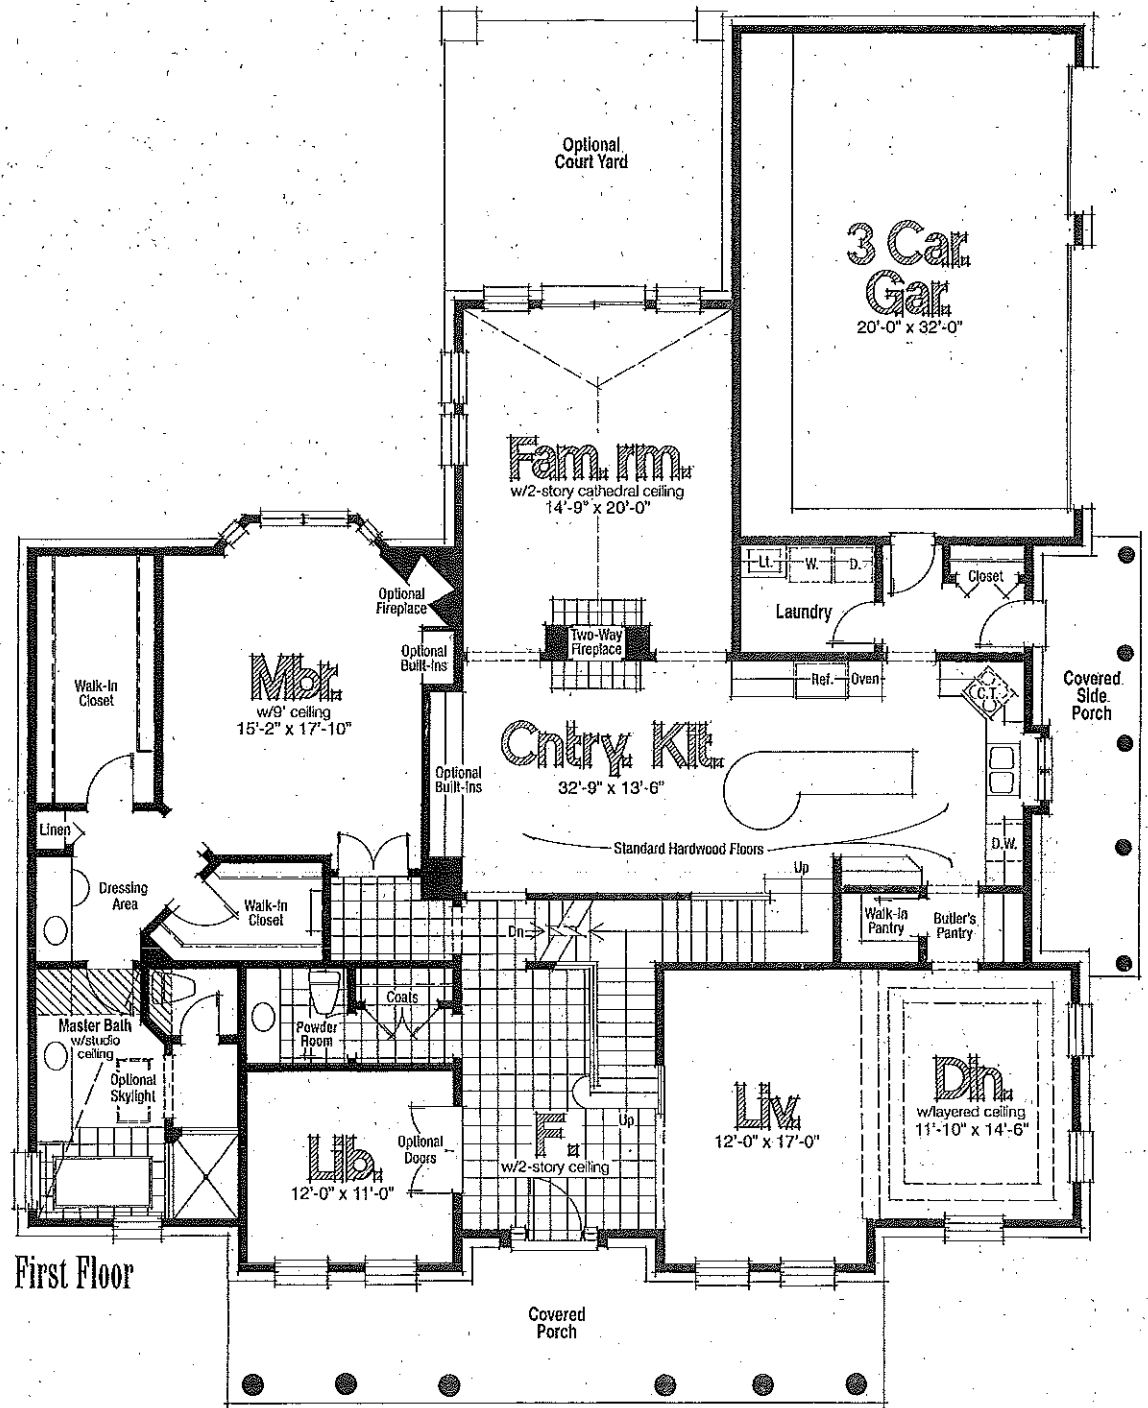

THE INGLENOK

Bedrooms: 3-4

Baths: 2-3 Full, 1 Half

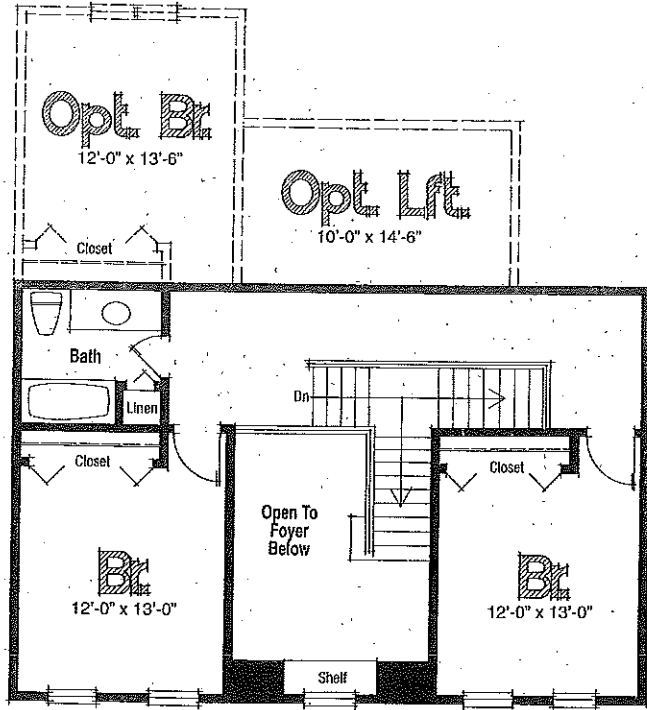

Square Footage: 3,445 – 3,930

The beautiful symmetry of this stately home is made possible by the rear access three-car garage which also provides courtyard privacy to the back yard. The large covered side porch is enhanced by five graceful columns which give this plan a beautiful side elevation. Inside, the journey into this gracious home begins in an elegant two-story foyer featuring an innovative T-shaped staircase. Formal rooms lie in the front of the home, informal family space is to the rear. Here, a two-way fireplace sheds its warmth on an expansive country kitchen and adjoining family room. The kitchen wraps around a center preparation island enlarged for intimate gathering. The two-story family-room is complemented by two walls of windows. This plan showcases a first-floor master suite offering a private oasis with an expansive bedroom, separate dressing room and a glamorous bath with a

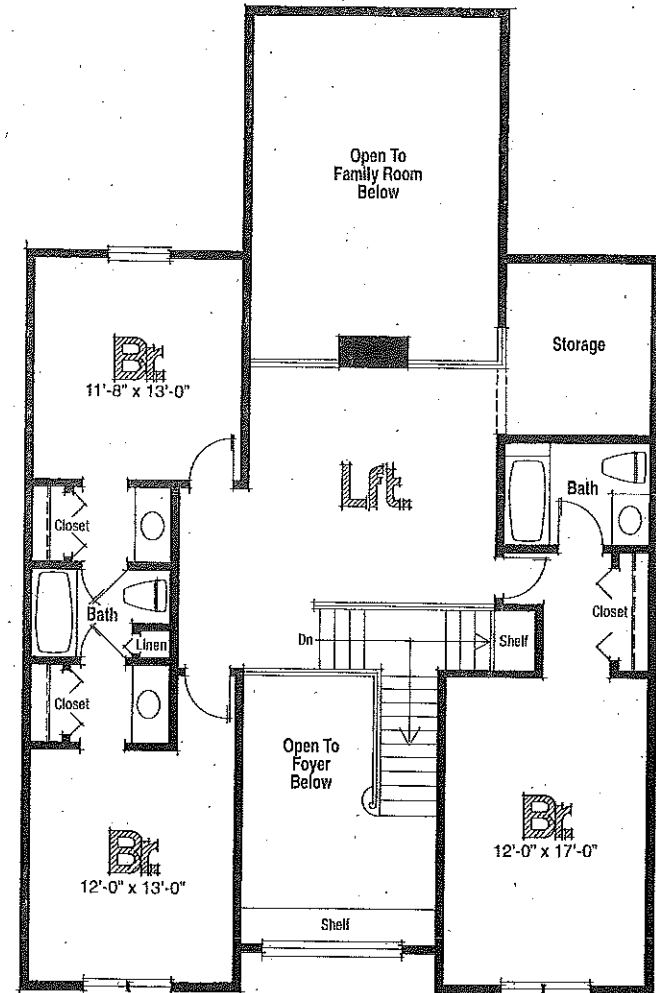

dramatically over the whirlpool tub.

On the second floor, a bridge affording wonderful views of the first level may be enlarged into a loft. In the deluxe plan, three bedrooms open onto a roomy loft area suitable for computer or entertainment space.
