1. Every owner of a lot in the Subdivision shall be a mandatory member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment.

All such fees, dues or assessments shall be charged equally to each Lot, and may be enforced through the lien provided for in Section C(2) of this Article or by any other lawful means of collecting debts. The fee for Whispering Meadows shall be \$70.00 per year and may not be increased by more than 10% per year.

The fees, dues or assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Subdivision and future subdivisions or lots hereafter annexed or added, and in particular for the improvement and maintenance of the Common Area (s) or Subdivision entrance-ways now or hereafter owned by the Association, and facilities thereon, and other property under the control of the Association; for planting and maintenance of trees, shrubs and grass; for construction, operation and maintenance of recreational facilities and all other facilities and improvements; for repair and maintenance of any retention facilities and street lighting if any; for caring for vacant lots; for providing community services; and for the protection of the owners; for maintenance and preservation of the wetlands and woodland areas designated on any Plat of a Whispering Meadows Subdivision; for maintenance and repair of any internal sidewalks and/or bike paths, if any; for maintenance and repair of any sprinkling or irrigation systems serving common areas and improvements; for payment of its pro rata share for maintenance and insurance of the Bordering Property; for payment of legal, accounting, professional fees and insurance; and for such personnel and employees as may be required to fulfill the obligations herein.

The fees, dues or assessments levied by the Association may also be decreased provided that any such decrease shall have the assent of the majority of the board of directors of the Association.

F. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy against each Owner, in any assessment year, a special assessment of up to 10%, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any improvement upon the Common Area and other areas under the control of the Association, including subdivision entrances, retention ponds, fixtures and personal property, provided that any such assessment shall have the assent of the majority of the board of directors of the Association and notice shall be given lot owners as to the purpose and use of said funds with details of proposed expenditures.

Subdivision or the Association, as the case may be, may enforce the lien by recording appropriate instruments confirming the existence of the lien and foreclosing the lien by appropriate legal action. In such legal action, a court of competent jurisdiction shall be empowered to order a sale of the subject to the lien in order to satisfy the lien. No house, building, fence, wall, deck, swimming pool, outbuilding or other structure, landscaping or exterior improvement shall be constructed or erected on any Lot (excluding normal maintenance), nor shall any exterior addition to or change or alteration therein or change in the exterior appearance thereof be made until the plans and specifications showing the nature, kind, size, shape, height, colors, materials, topography and location of the same on the Lot shall have been submitted to and approved in writing by the association board of directors and Architectural Control Committee (the "Committee") composed of a minimum of three (3) persons appointed by the board of the Whispering Meadows Homeowners Association.

A. Plans and specifications for final approval by the Committee shall include the following:

1. Complete plans and specifications sufficient to secure a building permit in the City of Novi, including a dimensioned plot plan showing Lot and placement of residence, garage, outbuildings and fences (if any).
2. Front elevation, side elevations and rear elevation of building, plus elevations of walls and fences (if any).
3. A perspective drawing if deemed necessary by the Committee to interpret adequately the exterior design.
4. Data as to size, materials, colors and texture of all exteriors including roof coverings, fences (if any) and walls.
5. One set of blueprints shall be left with the Committee until construction is completed.

B. Preliminary plans may first be submitted for preliminary approval.

C. No approval by the Committee shall be valid if the structure or improvement violates any of the restrictions set forth in this Declaration, except in cases where waivers have been granted as provided for in said Articles.

D. The Committee may disapprove plans because of noncompliance with any of the restrictions set forth in Articles III through VI of this Declaration, or because of reasonable dissatisfaction with the grading and drainage plan (except for normal maintenance), the location of the structure on the Lot, the materials used, proportions, shape, the color scheme, the finish, design, height, style, repetition, or appropriateness of the proposed improvement or alteration or because of any matter or thing, which in the reasonable judgment of the Committee, would render the proposed improvement or alteration inharmonious or out of keeping with the objectives of the Committee or with improvements erected on other Lots in the Subdivision. All owners, by accepting ownership of their Lot, acknowledge that the primary purpose for providing for architectural control is to insure the proper and harmonious development of the Subdivision in order to maximize the aesthetic beauty of the Subdivision and its blending with the surrounding area. To this end, Subdivision or the Architectural Control Committee, as the case may be, shall be deemed to have reasonable discretion in terms of determining what dwellings, fences, walls, structures or improvements will be permitted and are in keeping with the aesthetic beauty and desirability of the subdivision and are otherwise consistent with the purposes of these Restrictions.

E. There will be a written response from the Board within fifteen (15) days, excluding holidays. The Board will acknowledge a lot owner's request and an answer will be forth coming within thirty (30) days, including reasons for non-approval.

F. In the event the Committee fails to approve or disapprove plans within thirty (30) days after submission, then such approval will not be required, but all other limitations, conditions and restrictions set forth in this Declaration shall apply and remain in force as to such plans.

G. Committee approval shall be deemed given if the plans and specifications submitted for approval are marked or stamped as having been finally approved by the Committee, and are dated and signed by a majority of the members for the Committee who were validly serving on the Committee on the date of such approval.

H. In no event shall either Subdivision or the Committee have any liability whatsoever to anyone for their approval or disapproval of plans, drawings, specifications, elevations or the dwellings, fences, walls, or other structures subject thereto, whether such alleged liability is based on negligence, tort, express or implied contract, fiduciary duty or otherwise. By way of example, neither Subdivision nor the Committee shall have liability to anyone for approval of plans, specifications, structures or the like which are not in conformity with the provisions of this Declaration, or for disapproving plans, specifications, structures or the like which arguably are in conformity with the provisions hereof. In addition, the Committee shall not be required to pass upon any technical aspects of construction or whether construction meets zoning, building code or safety requirements. The Committee's approval shall merely mean that the plans are in compliance with the intent and purpose of these restrictions and shall not be construed as to imply that the Committee has passed upon any other aspects of the plans, nor shall such approval imply that the building plans or specifications comply with zoning, building codes, safety requirements or regulations of the City of Novi, Michigan.

I. Any structural changes or additions to any lot, that was in existence prior to the adoption of these Declaration of Covenants, Conditions and Restrictions (CCR) is automatically grandfathered in and is not subject to the Architectural Control Committee.

ARTICLE IV - BUILDING AND USE RESTRICTIONS FOR THE SUBDIVISION

A. Use of Lots. All Lots shall be used and occupied for single family residence only, and no building of any kind whatsoever shall be erected, re-erected, moved or maintained thereon except one single family dwelling house and appurtenant buildings on each Lots, as hereinafter provided. Such dwelling house shall be designed and erected for occupation by a single private family. A private attached side or rear entrance garage for the sole use of the respective Owner or occupant of the Lot upon which said garage is erected may also be erected and maintained as long as it is in conformity with City of Novi requirements whose requirements are incorporated by reference into this document. The requirement that garages have a side or rear entrance may be waived by the Subdivision/Association.

B. Character and Size of Buildings. No plan for construction of any dwelling will be approved unless the proposed dwelling has the minimum square footage required from time to time by the City of Novi. In addition, the dwelling must have a minimum of the following square footages: for a one story dwelling (e.g. ranch) - a minimum living main floor area of 2,000 square feet; for a two story dwelling - a minimum livable floor area of 1,400 square feet on the first floor and a total minimum livable floor area of 2,400 square feet; and for a tri-level dwelling (one in which there are two stories adjacent to one another) - a minimum livable floor area on the main or ground floor of 2,200 square feet. 4. All lot set back requirements shall be in strict accordance with the requirements of the City of Novi Zoning Ordinances for R-3 zoning.

Approval of a variance by both the Committee and the City of Novi permitting front, rear or side yards smaller or greater than the above shall be deemed a valid waiver of this Restriction. In the event that the City of Novi shall, at any time, require yard areas larger than those above specified, then in such event all dwellings shall comply with the requirements of the City of Novi. No variance, however, shall be effective unless it is also agreed to in writing by the Committee. In the event that any requirement is in

conflict with a City of Novi ordinance, then the City's ordinance shall prevail and the requirement listed in this document is rendered null and void.

D. Animals. No farm animals, livestock or wild animals shall be kept, bred or harbored on any Lot, nor shall any animals be kept or bred for commercial purposes. Domestic animals commonly deemed to be household pets may be kept by the Owner and members of his household so long as such pets shall have such care so as not to be objectionable or offensive to others. In no event shall more than three (3) animals, either three dogs or three (3) cats or a combination thereof, be kept or harbored on any lot, with the exception that a litter of pups or a litter of kittens, or a portion of a litter may be kept for a period not exceeding five (5) months from birth.

Any dog or cat kept by a resident on his premises shall be kept on a leash or in a dog run or pen, and shall not be allowed to run loose or unattended. No dog runs or pens shall be permitted to be erected or maintained unless located within the rear yard (only) adjacent to a wall of the main dwelling or garage and facing the rear or the interior of the Lot, nor shall such runs or pens extend beyond the end of the dwelling or garage into the side yard. Written permission for such dog run(s) must be obtained from the Architectural Control Committee.

E. Fences, Walls, Etc. No fence or wall of any kind shall be erected or maintained on any Lot without the prior written approval of the Committee. ARTICLE VIII - GENERAL PROVISIONS

A. Severability. Invalidation of any one of these constraints, covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

B. Amendment. The constraints, covenants and restrictions of this Declaration shall run with and bind the land. This Declaration may be amended at any time by an instrument signed by a majority of Whispering Meadows Homeowner's Association Board of Directors, as long as notice is provided within fifteen (15) days, excluding holidays, to lot owners.

C. Deviations by Agreement with Subdivision. Subdivision hereby reserves the right to enter into agreements with the grantee of any Lot or Lots (without the consent of grantees of other Lots or adjacent property) to deviate from any or all of the Covenants set forth in Article III, provided there are practical difficulties or particular hardships evidenced by the grantee and determined by Subdivision in its sole discretion and any such deviation (which shall be manifested by an agreement in writing) shall not constitute a waiver of any such Covenant as to the remaining Lots in Whispering Meadows Subdivision.

D. Each Owner of a Lot in Whispering Meadows Subdivision shall file the correct mailing address of such owner with Subdivision and shall notify Subdivision promptly in writing of any subsequent change of address. Subdivision shall maintain a file of such addresses and make the same available to the Association. A written or printed notice, deposited in the United States Post Office, postage prepaid, and addressed to any Owner at the last address filed by such Owner with Subdivision shall be sufficient and proper notice to such owner whenever notices are required in this Declaration.

ARTICLE IX - ENFORCEMENT

The Association, shall have the right at any time or times to proceed at law or in equity against any person violating or attempting to violate any provision contained herein, to prevent or abate such violations, to compel compliance with the terms hereof, to enter upon any land within the Subdivision and correct any condition in and remove any building, structure or improvement erected, installed or maintained in violation of the terms hereof at the Lot Owner's expense, and to recover damages or other dues for any violation, as long as reasonable notice is provided. Any such entry shall not constitute a trespass. Subdivision may recover against a Lot Owner violating the provisions of this Declaration all reasonable costs incurred by it in enforcing such provisions in any of the foregoing ways, including the cost of removing offending structures and actual attorneys fees and other litigation costs. Failure to enforce any provision contained herein in any particular instance shall not be deemed a waiver of the right to do so as to any continuing, subsequent or other violation.

ARTICLE X - LANDS AFFECTED

A. The covenants, conditions and restrictions set forth herein shall not be binding upon or affect in any way any property other than the Subdivision. Specifically, these restrictions shall not apply to or constitute a burden or encumbrance on any adjacent property, including any adjacent property owned by Subdivision, unless Subdivision in its sole discretion elects to make such binding upon same by appropriate recorded written Amendment.

B. Subdivision reserves the right to create one or more subdivisions from the property adjacent to the Subdivision, or to otherwise develop all or any of such property. Such subdivisions or developments may be the subject of no restrictions or of restrictions which are more or less stringent than those set forth herein.
